

Light as a Feather

Sensory Bottle

You will need:

Bottle

Feathers

Sequins

Strong glue

Sticky tape (optional)

Scissors

Method

1. Fill the bottle half full with feathers.
2. Add some sequin to the bottle for extra sparkle.
3. Squeeze strong glue onto the inside of the bottle top and secure the lid onto the bottle. Allow time for the glue to dry. You may also like to tape around the lid of the bottle with coloured sticky tape.
4. The bottle is now ready for the children play with.

Sensory Activities Disclaimer: This resource is provided for informational and educational purposes only. As this resource refers to sensory activities, sometimes including food items/ingredients, you must ensure that an adequate risk assessment is carried out prior to using this resource. This resource is not taste-safe. You must contact a suitably qualified professional if you are unsure. Twinkl is not responsible for the health and safety of your group or environment. Please be aware that learners should be supervised at all times due to potential hazards with handling and exploring sensory objects, particularly young or vulnerable learners. Sensory activities can engage learners in their play and learning, but supervising adults should check for allergens and assess any potential risks before the activity and only proceed if it is safe to do so, for example, even the shallowest amount of water can be extremely dangerous. Learners should wash their hands before and after these activities.
